

# "My Timeline" (Storm and Flood Damage) Onojo City Version

"My Timeline" is an action plan that shows who will take what action and when based on the situation surrounding you in case of a disaster such as flood damages from heavy rain and typhoons.

By preparing ahead of time, you will be able to move with confidence in an emergency. Consider it together with your family.

Check the disaster risk of your home on the [Large map \(L2 ver.\)](#)

Anticipated flood depth		Landslide hazard zone	
		YES	NO
